THE WAY IT WAS

This bicentennial year, 1976, is special to all Americans in some way or another. Likewise, this year's *Cronus* has special meaning for each and every person who has contributed something to its preparation. It is only possible to capture but a glimpse of this crucial era in our lives, and the way in which a yearbook does this is the measure of its future value to these it depicts.

We would like to thank the faculty for its patience and understanding in hectic times in which we needed it, and a very special thanks to Mr. James Coghill, our advisor and leader, who somehow retained his sanity through all of our problems. Additional thanks are extended to members of the staff of our community newspaper.

Remembering that the purpose of this yearbook is not to recreate the past, but rather to make the future brighter, we are now able to look back at some of the wonderful times of days past.

FAREWELL NOW, MY FRIEND

I love you, my friend
You're quite dear to me,
A true friend you are
And always will be.
But you're leaving me soon
And going your own way,
Perhaps we will meet
In the future some day.
You've left me with memories
Of good times we've had,
To treasure forever
And make me feel glad.
I wish you good luck
In all that you do
May all of life's pleasures
Come your way, too.
Farewell now, my friend
And please may you find
Some thoughts of me
Always in your mind.

FOOTBALL

The Titan gridiron prospects, billed as the team to beat in local high school circles before the season began, started the year in winning fashion with an emotional win over Reynolds. The Titan victory which was West's first over Reynolds since 1966 proved to be the highlight of the Titan's up and down season.

The win over Reynolds was followed by close losses to North and East which proved to be the turning point in the season for West. The Titans claimed victories from Cummings, Surry Central, and Williams. The homecoming victory over Surry Central helped West set a new scoring record as West registered a 54-0 shutout.

West was plagued with injuries and inexperience as the Titans finished the year with a 2-4 conference record and a 4-6 mark overall.

Mike Good, Winfred Mack, and Mark Willis all received post-season honors as all three were named to the All-City/County team. Good, the Titan's huge defensive tackle, was the only player from West selected to the All District 7 conference team.

CROSS COUNTRY

First row: Greg LeMaster, Carl Kirkpatrick, Mike Turner, Ray Moore, Julie Edwards, Joe Gonzales. *Second row:* Eddie Via, Craig Estes, Johnny Collins, Mark Davis, Scott Towery, Robbie Davis, John Rights, Coach Ward.

West's Cross Country Team compiled another winning record of six wins and four losses. The team finished seventh out of thirty-four teams in the state sectionals.

Ray Moore, who was unbeaten in conference meets, led the team to two perfect scores against Parkland and Reidsville. Ray also finished 12th in the state meet.

West lost three meets to conference champion Burlington Williams and suffered one defeat to High Point Andrews. West was unbeaten against Burlington Cummings, Reidsville, and Parkland.

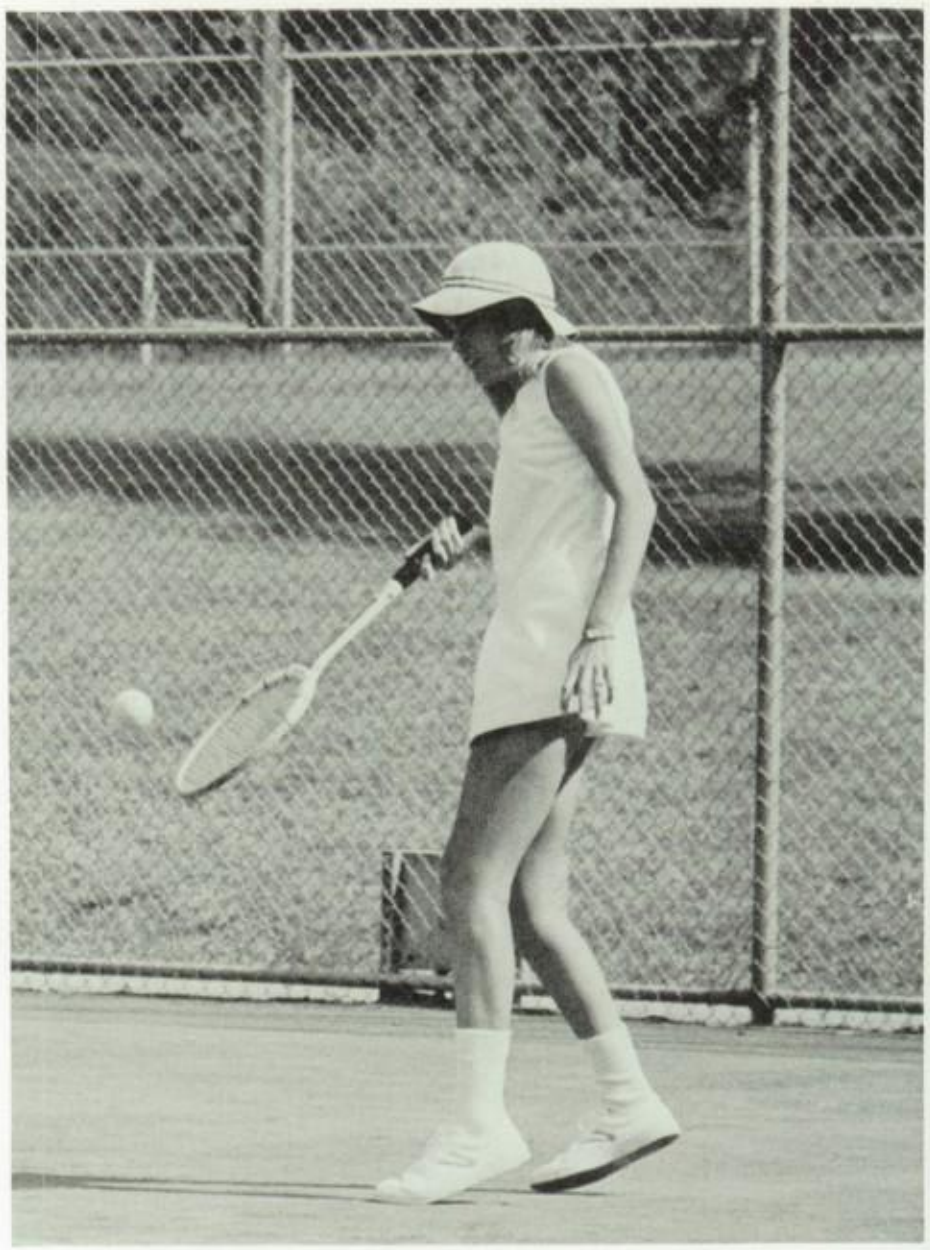
TENNIS

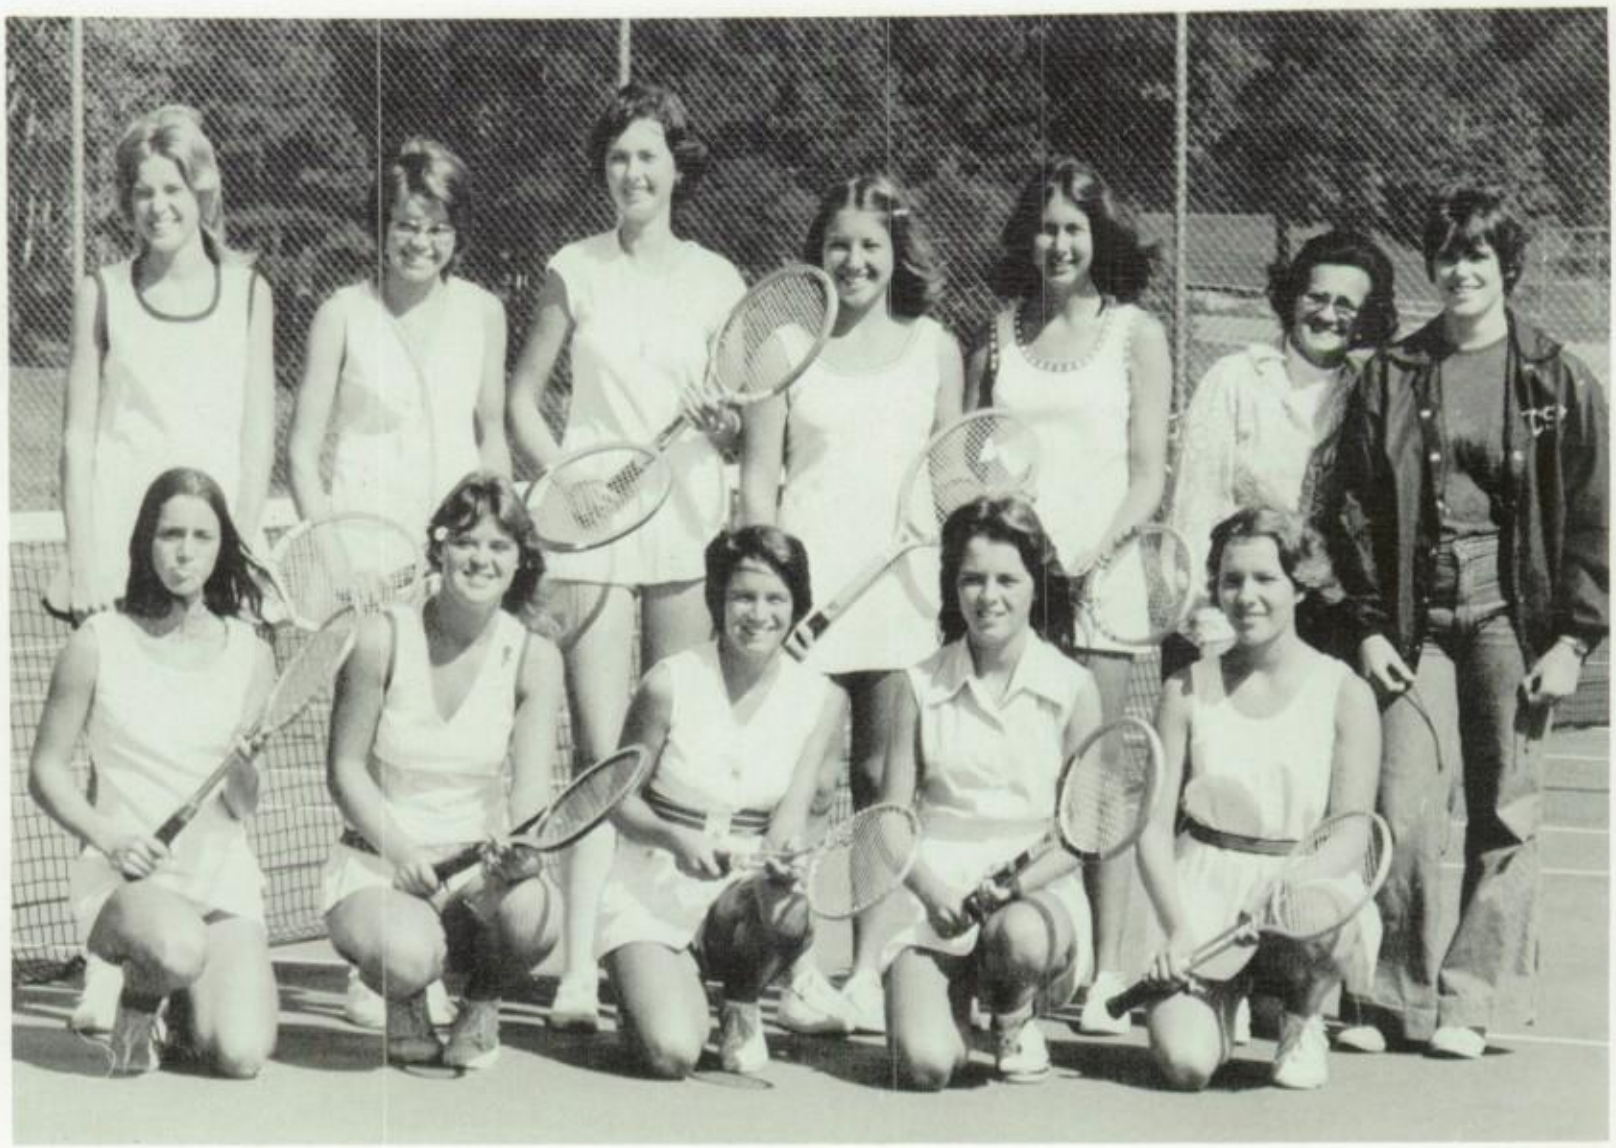
Winning nine of 13 matches in the fall of '75, the Girls Tennis Team earned third place in the District Conference. They won two matches each from Ragsdale, High Point Andrews, Burlington Cummings and Parkland with one win over Reidsville. Williams twice defeated the Titan team, and Ragsdale and Reidsville each scored a win over West.

Each match of the conference consisted of six singles and three doubles, winners taking two of three sets.

In the Sectionals Tournament, Cindy Porcelli, West's No. 1 player, advanced to the quarter-finals, getting three wins in four matches. Also, advancing to the second round of play were Cindy Collie in singles and Debra Koontz and Danna Johnson in doubles. Team score of five points for the Sectionals gave West a No. 7 place in the field of 19.

Amanda Collie won the Most Valuable Player Trophy, and Cindy Collie won the Sportsmanship Trophy.





First Row: Cindy Porcelli, Judy Gough, Danna Johnson, Robin Clubb, Kelly Pfaff. *Second Row:* Amanda Collie, Cindy Collie, Pam Davis, Debra Koontz, Sonja Girard, Mrs. Clarke, Joyce Ruchte (manager).

VOLLEY BALL

The Titan girls compiled a respectable 6-6 record and a second place finish in District 7 as West saw its dominance in volleyball challenged by conference champion Ragsdale. West was forced to play a revised schedule as a result of the lack of teams in District 7 this year, but still played highly competitive.

The girls registered big wins over the likes of Andrews and Parkland, but were just unable to compensate for their height disadvantage against many of their taller opponents.

West was led by MVP's Kaye Dean and Susan Ellis who provided excellent leadership. Kitty Bryant was selected Most Improved and Melody Wiles was the recipient of the Sportsmanship Award.

First row: Melody Wiles, Kitty Bryant, Antionette Acker, Susan Ellis, Cathy McDowell, Kaye Dean, Gina Beshears. *Second row:* Jennifer Fouts (manager), Sandy Johnson, Paula Watson, Kim West, Bett Fix, Denise Lawson, Karen Raines, Vickie Darnell (manager). *Third row:* Connie Brown, Coach Harbin, Saundra Moss, Cathy Reeder, Brenda Strickland, Alice Cunningham, Tammy Westmoreland, Pam Chappell, Wanda Hawkins.

GIRLS BASKETBALL

Led by their fierce leader, the ever-present Coach Herring, the Lady Titans turned in another successful basketball campaign which saw them prove themselves in one of the state's toughest conferences, District 7.

The Titans completed another undefeated season in city/county play with an 8-0 record and placed fourth in rugged conference play.

West suffered losses to only three teams with five of their losses coming at the hands of league-leading Ragsdale and Andrews.

The girls finished 14-6 on the year, mostly as a result of the inspired play of three seniors: Kaye Dean, Gina Beshears, and Antoinette Acker.

Miss Dean helped to bolster the Titan's inside game as she doubled as the team's leading scorer and rebounder. The excellent scoring from Miss Beshears and Miss Acker was another main cog in the Titan machinery which produced a very good 14-6 record overall!

Other top contributors for the Titans were Susan Ellis, Robin Clubb, Tammy Westmoreland, Kim West, Sandra Young, Dorcas Lyalls and Dianne Garner .

First row: Debra Koontz, Yvonne Parker, Kim West, Antoinette Acker, Susan Ellis, Sandra Young, Gina Beshears, Renita Fulton. *Second row:* Connie Brown, Vickie Darnell, Tammy Westmoreland, Kaye Dean, Dorcas Lyalls, Wanda Hawkins, Sandra Crouse, Robin Clubb, Denise Lawson and Gail Redden, Statisticians; Coach Herring.

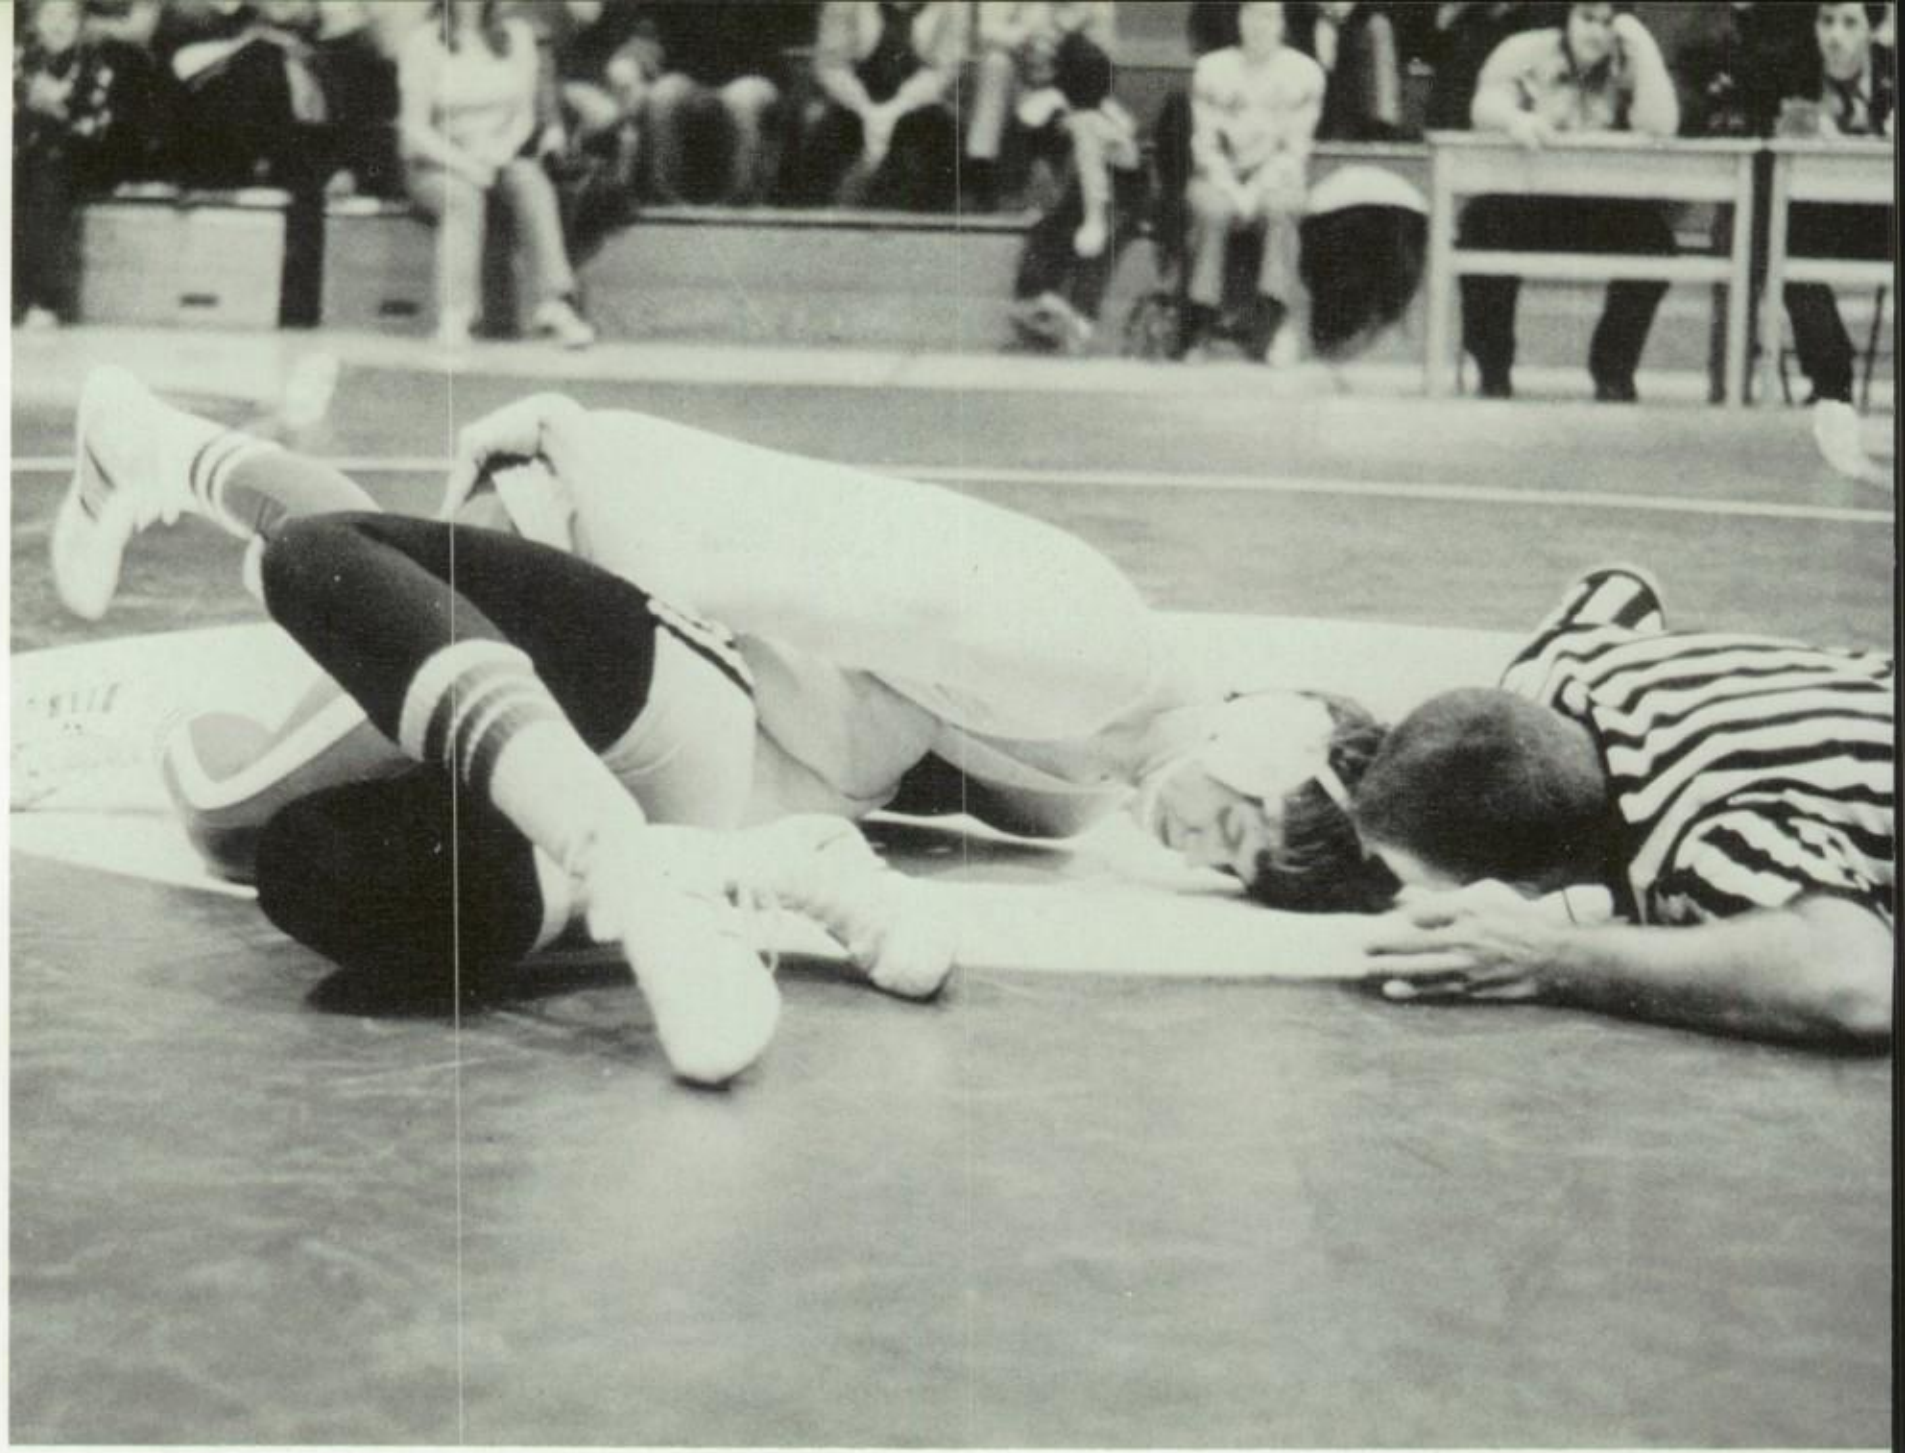
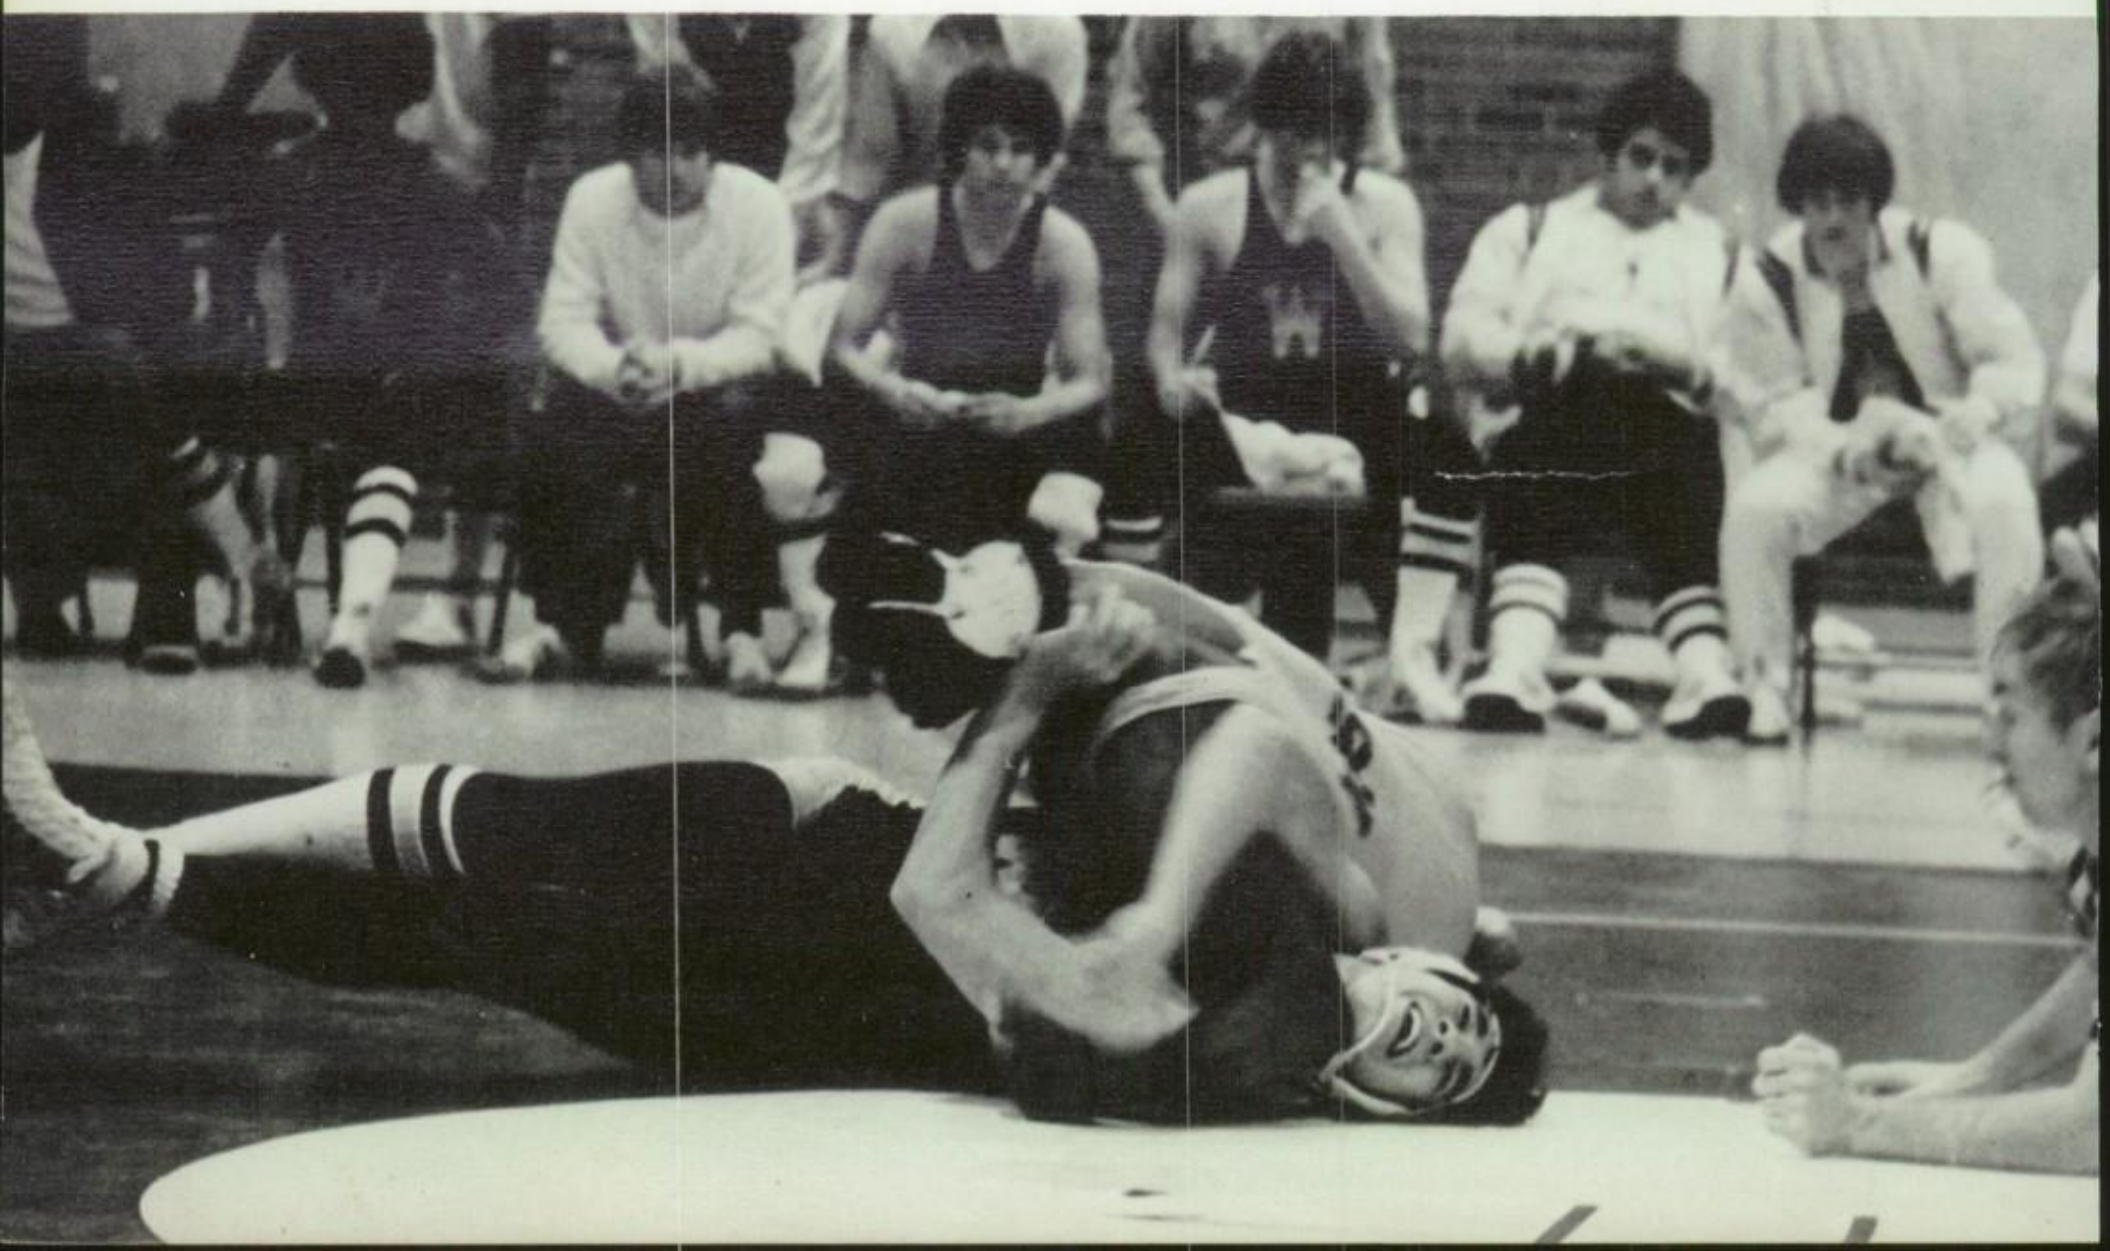
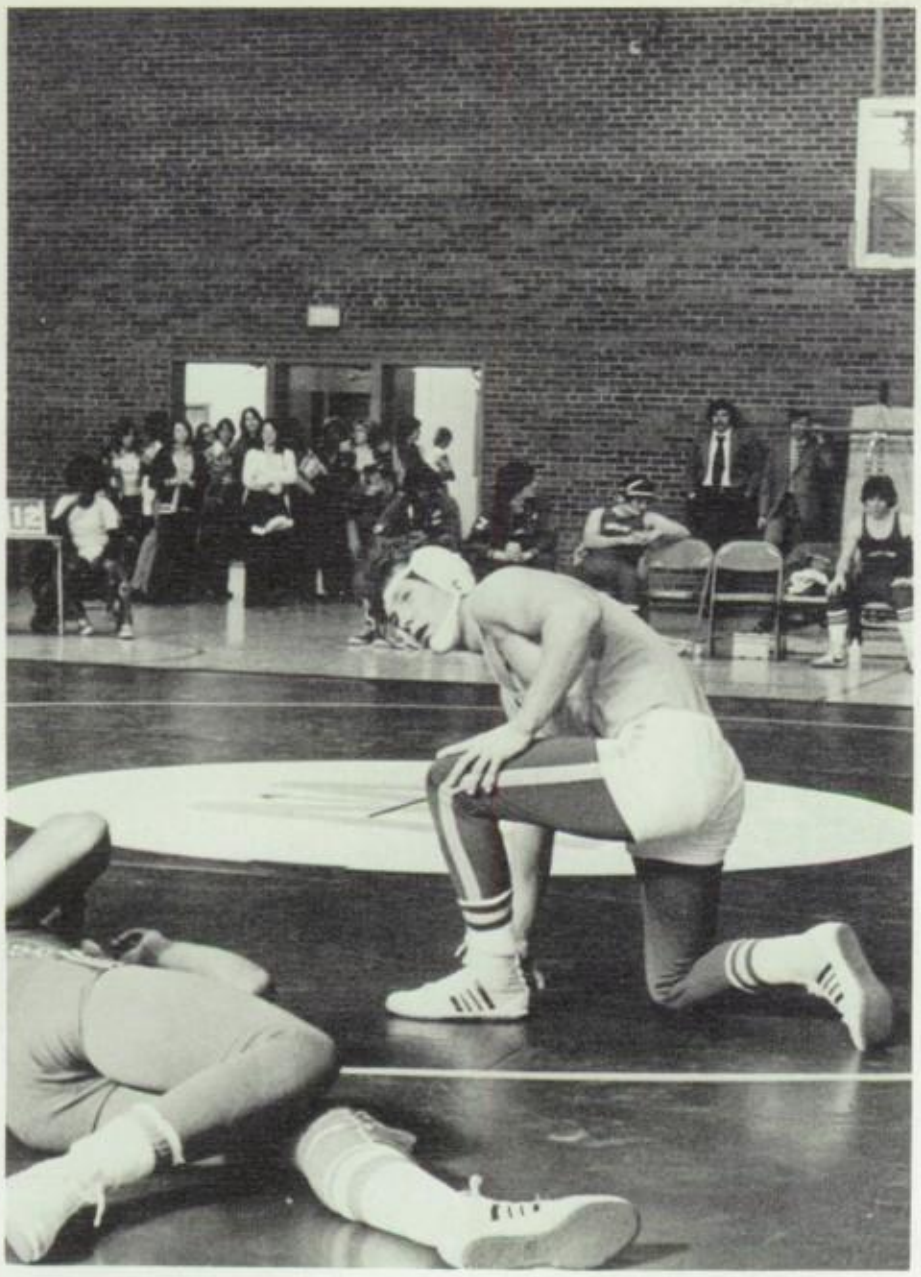
WRESTLING







The Titan grapplers finished another successful season with a 9-7 regular season record and the strongest post season performance in the school's history.

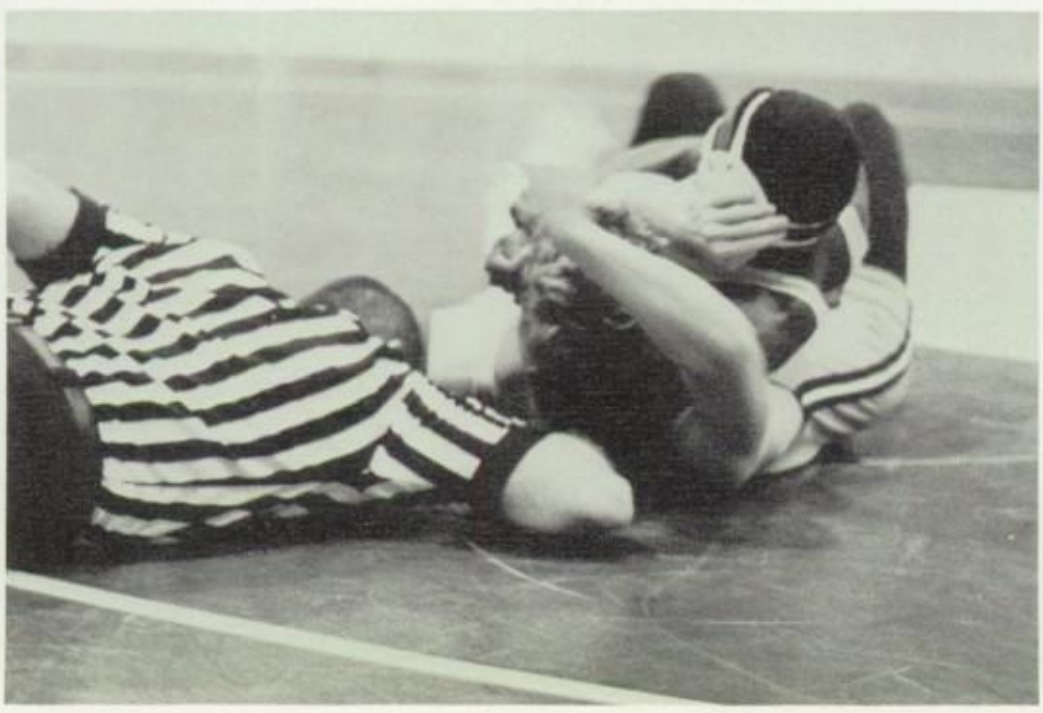
West rebounded from a fourth place finish in District 7 to claim third place in the 18-team sectional tournament at Reynolds and qualify four wrestlers for the state tournament.

The list of Titan accolades includes the conference and sectional titles by 188 pounder James Imes, who by the way was the only member of the team to win a title.

Reigning sectional champ, Fred Lash, turned in some strong performances as he placed second in both the conference and the sectionals in the 148 pound class.

Other top individual performances were by Ed Moss at 108 pounds, who was runnerup in the conference, James Cea at 122 pounds and Mitch Vestal at 198 pounds who both claimed second place in the sectionals to give West its most entrees in the state tournament ever.

The Titans registered regular season victories over such foes as Reynolds, Parkland, East, Reidsville, and Cummings as they proved to be the strongest team in the county.



Front row: Tommy Marshall, Richard Voss, Billy Gibbs, Brian Morris, Veldon Meredith, Ed Moss, Ron Dunsmore, James Cea, Carey Flemming, Morris McKnight. *Second row:* Coach Nexton, Butch Farrell, Steve Fox, Scott Livengood, James Imes, Kirk Foster, Mitch Vestal, Fred Lash, Dale Tesh, Harry Danz, Clay Poindexter.

BALL

First row: Clarence Britton, Charles Denning, Gary Lyons, Dewayne Ingram, David Whitley, Scott Towery. *Second row:* Manager James Smith, Ray Cole, Robert Bailey, Daryl Cherry, Mark Davis, Winfred Mack, Johnny Collins, Bobby Shutt.

Lady Luck failed to shine on the Titan roundballers this season as they found themselves in no less than eight games which were decided in the game's waning seconds with the same verdict — a disappointing loss.

Coach Napoleon Cloud's cagers did indeed have a flair for the dramatic as the hot shooting Titans gained a large student following with their exciting brand of run and shoot basketball.

Paced by the one-two scoring punch of talented juniors, Charles Denning and Clarence Britton, West proved itself a quite formidable foe by registering wins over Parkland, Reynolds, and Andrews, just to name a few.

The Titans also received fine play from seniors Winfred Mack, Ray Cole, Scott Towery, Gary Lyons, DeWayne Ingram, and junior David Whitley.

Despite their decided height disadvantages, the running Titans were able to play with anybody as a result of their sometimes uncanny outside shooting and their excellent teamwork.

The team's won-loss record stood at a frustrating 6-13 overall and 5-7 in District 7 play which tied them for fourth place with Ragsdale.

Always short on height and accolades, although never short on desire and effort, the Titans may have been number four in District 7, but they were definitely number one in our hearts!

JUNIOR VARSITY BALL BASKET

The Titan Jayvees proved their composure as they were able to win most of their close, pressure packed games enroute to their District 7 championship and 13-8 record overall.

West showed its uncanny ability for the unexpected as they came from a low seed in the tournament to upset Cummings, Andrews, and Reidsville to capture the tournament crown.

Paced by the backcourt play of Chuck Monroe, Mark Jennings, and Randy Thompson, West forced its opponents into numerous turnovers which resulted in easy points for the aforementioned trio.

The stabilizing cog in the Titan machine was administered by the high scoring front court which consisted of Tony Jordan, David Powell, and Forest Rutherford. All three were double figure scorers for West and it was Rutherford's shot at the buzzer which sealed Reidsville's fate in the championship games, 72-71.

It was indeed a banner year for Coach Swandell Cloud's forces as the "cardiac kids" brought home a new addition to the trophy case, only the second since West's entrance into District 7 a few years back.

Dear Ms. Gemini

Mishica, should I write an essay or a speech? Well I'll start off by saying that I'll never forget you. You have been more to me than a friend. There's so many things that we've been through together. Flare and the sweetest. You've been my inspiration to me. I hope you were and still are a inspiration to me. I hope you forget our junior year at West Forsyth. We've shared but surely we stuck it out together. been so many times that things seemed like they were in our favor but turned out opposite. Well that's over now and we surely do take care of yourself (i.e.) Catch up with us. Do not let this contagion called keep us apart. Whatever you decide to live. It's position wherever you will be in a lot wiser. Whatever you decide to live. It's position wherever you will be in a lot wiser. Whatever you decide to live.
